Notice: upon request we are able to provide a rented van service with or without chauffeur, NOT included in the price; yet, consider that van rental with chauffeur, are rather expensive in Italy; therefore, **in case of a group arriving by plane**, from an EU country, if interested in buying a certain quantity of wine, it might be cheaper **to send the van/bus to Marche/Puglia, directly from their country**; that would be useful both for the transfer around those regions, and to bring back the wine (intra EU countries, up to 120 bottles per person, for private use, without any custom declaration); in any case, it's possible to organize a groupage of all the purchased wines, and land ship them to destination at rather convenient price within EU

c) Terms, conditions

- **Pls NOTICE: we are NOT travel agents, but free-lance travel consultants, wine experts and tour operator.** Therefore we don't provide air tickets, nor travel or cancellation assurance. **Clients might eventually ask their local travel agent, to take care of these aspects of the tour, including if necessary, collecting the money and acting with us, as an "official" partner in the organization of the tour**
- **Contract:** when the group leader would be able to collect a minimum number of participants on a tour, we will send an agreement (= proforma invoice), containing the terms of payment, cancellation, responsibilities etc. Let's anticipate just a couple important details:
 - 1) account payment:** in order to confirm all the bookings and services, as soon as the tour is confirmed, upon receiving our pro-forma invoice, we request the partner agent, or group leader, to forward to us, via bank money transfer, 50% of the total amount, as confirmation account payment. The remaining balance is due 30 days before arrival or eventually, CASH upon arrival. **pls NOTICE in general, no info about the wineries, nor about the accommodation (except pictures) we selected for the group, will be released, before receiving the account payment.**
 - 2) cancellation policy:** generally for possible cancellation of a single person or of the all group, we refer to what established by Italian law; in any case, a cancellation fee of 100% of the account payment will be applied no matter when the cancellation of the entire tour was communicated. However, we and the holiday resort, would offer the guests the opportunity not to waste the account payment, booking our services and the same accommodation, in any alternative period, depending on availability
